SWIFT Sprayers

Linkage Sprayers

Simple, reliable and affordable for all your linkage sprayer needs.

We are an Australian agricultural machinery company dedicated to bringing quality, affordable equipment to commercial producers and hobby farmers alike. We recognise it takes a lot of hard work and a little luck to succeed in the agricultural industry. What you need is a simple reliable product to get the job done. Working hard so you don't have to.

We are Swift Agriculture.

Raptor Mist, 600L

Raptor Mist, 600L

SWIFT

The background of this section is a photograph of a red tractor pulling a yellow Raptor Mist sprayer through a vineyard. The Swift logo, featuring a stylized green leaf, is overlaid on the image.

Swift sprayers were born out of the appreciation for farmers of all kinds.

From hobby farmers to large producers, we can appreciate getting the most value for your money.

We brought together quality manufacturing and local Australian expertise.

The result?

Simple, reliable spraying equipment perfect for entry level or those with experience. Swift sprayers will get the job done without breaking the bank.
